 Presenter :RM1800  
 Student :RM1600  
 Early bird :RM1700  
 Student :RM1500  
 Audience :RM700

### REGISTRATION

- **Advanced materials**
- **Additive manufacturing**
- **Automated assembly**
- **Computer integrated manufacturing**
- **Data mining**
- **Machine tools technology**
- **Machining and forming technology**
- **Micro and nanofabrication**
- **Manufacturing automation and robotics**
- **Materials joining**
- **Modeling and simulation**
- **Precision machining**
- **Precision measurement and metrology**
- **Precision manufacturing and control**
- **Reverse engineering**
- **Smart manufacturing**
- **Sustainable and green manufacturing**
- **Tool condition monitoring**
- **Virtual manufacturing**
- **Machine vision and automated inspection**
- **Artificial Intelligence**
- **Data mining**
- **Ergonomics and human factors**
- **Facility management**
- **Human factors engineering**
- **ICT and information system**
- **IoT in manufacturing**
- **Lean manufacturing**
- **Logistics and materials handling**
- **Machine learning**
- **Maintenance engineering**
- **Modeling and simulation**
- **Operations research**
- **Optimization and simulation**
- **Quality & reliability**
- **Safety Engineering**
- **Scheduling**
- **Supply chain management**
- **Systems engineering**
- **Production planning and inventory control**

\*Group registration (more than 3) will get 10% discount
