

# Mechanical Engineer

M.E.I. Consultants Sdn Bhd

📍 Penang

🏢 Mechanical Engineering (Engineering)

🕒 Full time

M.E.I. Consultants Sdn Bhd is seeking a talented and motivated Mechanical Engineer to join our dynamic team in Penang. This is an exciting opportunity to be involved in a wide range of engineering projects and contribute to high-impact solutions in a collaborative, growth-focused environment.

## What you'll be doing

- Perform engineering design, drafting, and supervise installation/construction of engineering works under the Company's charge
- Prepare detailed technical drawings, specifications, and reports for project execution
- Liaise with clients, consultants, and contractors to understand and meet project requirements
- Coordinate with local authorities to ensure compliance with statutory and regulatory project requirements
- Provide technical support, site supervision, and quality control throughout project phases
- Ensure adherence to relevant engineering standards, safety regulations, and codes
- Participate in continuous improvement efforts to enhance project delivery and performance
- Contribute to other assignments as designated for your career development

## What we're looking for

- Bachelor's degree in Mechanical Engineering (or a related field)
- Minimum of 1 year of relevant working experience
- Strong technical skills in design, analysis, and project coordination
- Proficient in engineering software such as AutoCAD and tools relevant to your discipline
- Solid understanding of local engineering standards, safety regulations, and statutory requirements
- Excellent problem-solving, communication, and collaboration skills

## About us

M.E.I. Consultants Sdn Bhd is a leading provider of engineering consulting services in the region. With a strong focus on innovation and excellence, we work with a diverse range of clients across various industries to deliver high-quality solutions. Join our team and be a part of our continued growth and success.

Apply now to become our next Engineer!
